Del Rio High School Valedictorian Ariel Cordova '13

Ariel ranked 1st with a GPA of 5.257 making him the valedictorian of the Senior Graduating Class of 2013. His rigorous course selection included a variety of advanced placement and dual credit coursework and will be graduating with 33 college hours. Ariel actively participated in UIL events competitions and won State Calculator, Science Fair Regional and Cross Country District Titles and was recognized as an AP Scholar. He was a member of the Future Business Leaders of America, National Honor Society and Student Council. Ariel will pursue his studies at The University of Texas at Austin and will major in Geoscience and Biomedical Engineering. With his major he plans to develop his own engineering firm that distributes innovative technology for the medical field.
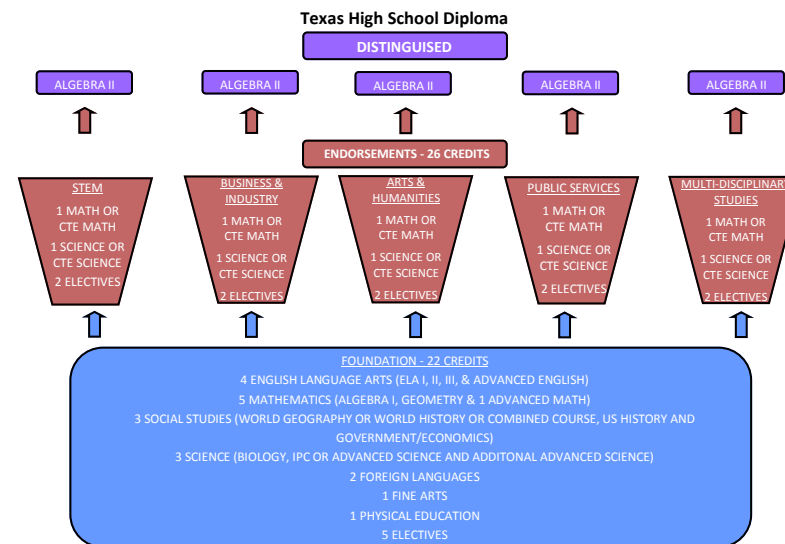

Del Rio High School Salutatorian Paola Gonzalez '13

Paola ranked 2nd with a GPA of 5.225 making her the salutatorian for the Senior Graduating Class of 2013. Her selection of advanced placement and dual credit coursework have earned 58 college hours. Awards received include Varsity Girls Golf Tournament Medalist, Future Business Leaders of America State Champion, AP Scholar and National Hispanic Scholar. Paola will go to National Competition for The Future Business Leaders of America Club for Management and Decision Making in California this summer. Club memberships include National Honor Society, Student Council, National Technical Honor Society and Future Business Leaders of America. In being selected as a National Hispanic Scholar she was awarded over $650,000 scholarship offers from a variety of colleges throughout the nation. Paola's post-secondary studies will continue at The University of Texas at Austin and will major in Business. With her major she plans to work in a well-rounded business environment to gain experience and bring her knowledge to Del Rio to open her own business and donate her time and money to the community.

Career and Technology

Career and technical programs are dedicated to preparing young people to manage the dual roles of family member and wage earner. Career and technical programs enable students to gain entry-level employment in a high-skill, high-wage job and/or to continue their education.
