SFDR CISD Releases Presentation on Proposed Elementary Rezoning

San Felipe Del Rio CISD administration has released a presentation which was shared during the regular meeting of the Board of Trustees this Monday which includes providing a long-term solution for students currently attending Irene C. Cardwell Elementary, along with proposed options for rezoning elementary attendance zones in the District for the 2019-2020 school year. During this meeting, the Board of Trustees discussed and agreed to review and consider these options and conduct additional research. The Board of Trustees will decide on a final plan during the next monthly meeting in March.
