

Pathway to Savings

Drug Pricing Portal

In the name of transparency, we've done it again.

Use our RealTimeRx Pricing tool to find the lowest net cost for a drug – including full rebate transparency. With our proprietary tool, we've empowered you with an easy way to search and find drug costs.

With our proprietary pricing technology, RealtimeRx Pricing empowers you to find the lowest price for high cost medications. Visit pricing.myrxcompass.com.

Instantly Price a High-Cost Drug

All you need are the 3 Ds:

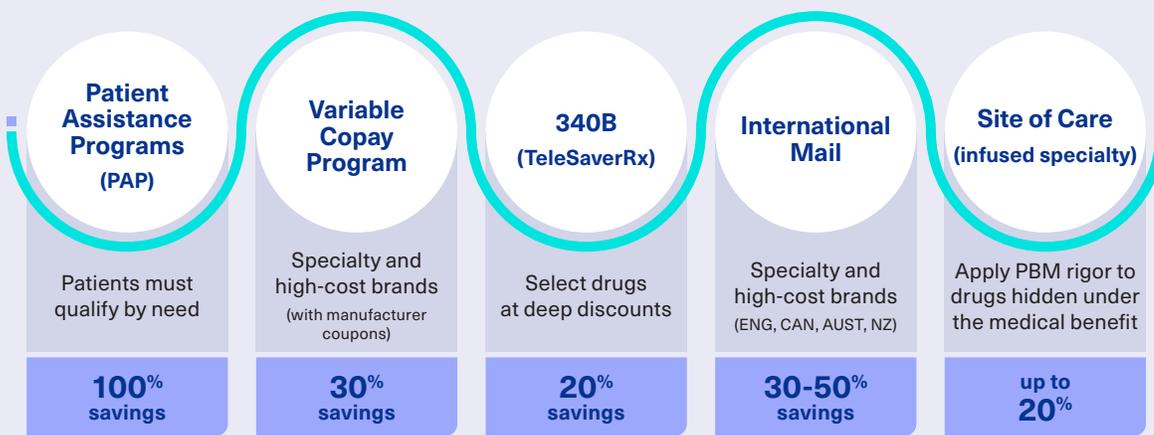

1. Drug
2. Dose
3. Day Supply

How it Works

- Visit pricing.myrxcompass.com
- Enter the 3 Ds and click “Search”
- View pricing and savings options
