

FOR IMMEDIATE RELEASE  
March 25, 2019

SFDR CISD's Family, Career and Community Leaders of America (FCCLA)  
Advisor to Receive State Award

Each year our state selects an advisor to receive the Spirit of Advising Award from the state and national headquarters of the Family, Career and Community Leaders of America (FCCLA). This year, Mrs. Linda Corbell has been selected as the 2019 Texas recipient of this prestigious award. FCCLA annually selects a chapter advisor who is constantly faithful, often quietly working behind the scenes to ensure the success of their students. The person must also be patient, have a good sense of humor, and be flexible and skilled to form a foundation of FCCLA at the local and state level.

Mrs. Corbell will be recognized at the advisor meeting of the state FCCLA Leadership Conference in Dallas, Texas and during the National Leadership Meeting in Anaheim, California for her notable contribution to promoting family and consumer sciences education and Family, Career and Community Leaders of America.
