UIL CALLS DISTRICTS TO TEMPORARILY SUSPEND SUMMER WORKOUTS, PRACTICES AND INSTRUCTION

Yesterday, the University Interscholastic League (UIL) released guidance for school districts experiencing community spread of COVID-19 to temporarily suspend any summer workouts, rehearsals, practices and instruction beginning July 3 through July 12 in order to reduce the risk of exposure to the disease. The UIL shared information on their social media page stating the reason behind the temporary suspension due to the “anticipation of the July 4 holiday, and the potential for increased social interactions that could spread COVID-19”.

Following the guidance of the UIL, SFDR CISD will temporarily suspend the SFDR Athletics Summer Strength and Conditioning Program beginning Friday, July 3rd through Sunday, July 12th. Students may resume their regular group schedule on Monday, July 13th, provided that they are in excellent health, are not experiencing any COVID-19 related symptoms, and have not been exposed to any individual who is experiencing COVID-19 related symptoms.
