SFDR FINALIZES PURCHASE OF PROPERTY FOR THE CONSTRUCTION OF NEW ELEMENTARY SCHOOL

SFDRCISD has finalized the purchase and sale agreement with the Buena Vista Development Company and Rock Pile Construction, LLC, for acreage in north Del Rio which will be used for the construction of a brand new elementary campus.

Last November, voters approved a $19 million school bond that would fund the construction of a new elementary school in the northern sector of the District. With this approval came over $9 million in state aid; thus reducing the District’s portion of the bond to an estimated $9.6 million for the new elementary school.

Now that the acquisition of property has been completed, SFDRCISD will begin transitioning into the next phase of planning and development in the coming months.
