CURBSIDE MEAL PROGRAM TO BEGIN AUG. 26TH FOR SFDR CISD STUDENTS

Beginning Wednesday, August 26th at 11 a.m., SFDR CISD will offer student meals through the Curbside Meal Program. District enrolled students and parents will be able to pick up meals from any of the 7 campus curbside locations across the community. For ease of access, parents will be able to use the bus lanes at the Roberto “Bobby” Barrera Elementary STEM Magnet School, Ruben Chavira Elementary, Lamar Elementary, Garfield Elementary, North Heights Elementary, Calderon Elementary, and Dr. Lonnie Green Elementary. Curbside and walk-up window pick-up will be open Monday-Friday from 11 a.m. to 1 p.m.

Additional procedures have also been established to ensure efficiency and accountability in accordance with USDA guidelines:

- Student identification numbers and names must be provided to the clerks for verification and release of student meals.
- A barcode will be issued out to students via their e-mail account, which will allow food service clerks to scan their identification code.
- Parents and students will have the option to pick up breakfast and lunch at the same time.

Parents are reminded that **no meal service will be available on Monday, Aug. 24th and Tuesday, August 25th**. Parents are also reminded to complete and submit their child’s CEP or NSLP lunch application online through their Parent Skyward Portal. For more information regarding the Curbside Meal Program, parents may call the Child Nutrition Department at (830) 778-4178.

**SFDR CISD and SFE are equal opportunity providers.*
