## **ELEMENTARY AND SECONDARY PRINCIPALS OF THE YEAR NAMED AT NORTH HEIGHTS ELEMENTARY AND DEL RIO MIDDLE SCHOOL**

Two San Felipe Del Rio CISD principals received surprise news Friday from their families that they are the 2020 SFDR CISD Elementary and Secondary Principals of the Year.

Principal Maytte Soliz at North Heights Elementary School was named Elementary Principal of the Year, and Principal Cynthia Salas at Del Rio Middle School was named Secondary Principal of the Year. They received the news during their weekly principal’s meeting via Zoom with Superintendent Dr. Carlos Rios.

“This is a banner day for our principals,” Dr. Rios said. “I’m very proud of these two campus leaders who during these unprecedented times have exemplified exceptional leadership and have inspired excellence within their school communities. They exemplify what it means to be academically, socially, and emotionally innovative to meet our children’s diverse needs.”
