

SAN FELIPE DEL RIO CISD

October 19, 2020

SFDR CISD HONORS LOCAL BUSINESSES, ORGANIZATIONS AND COMMUNITY MEMBERS FOR THEIR SUPPORT

Each month, the Board of Trustees recognizes monetary and non-monetary contributions made by individuals, organizations and local businesses. During the regular meeting of the San Felipe Board of Trustees this evening, the Administration and the Board will honor and celebrate the important support provided to the District by our local community, and express the appreciation to those who stand up for schools, and encourage more businesses to participate in this sort of community service through a virtual tribute.

SFDR CISD participates in the Texas Association of School Board (TASB)'s annual recognition program to celebrate the important support provided in local communities, and express appreciation to those who stand up for public schools in Texas. SFDR CISD is grateful for the unwavering support by our Del Rio community which has yielded innovative and exciting opportunities for students as they advance in their learning.

The virtual tribute can be viewed during the regular school board meeting on Spectrum Channel 1301, the [SFDR You Tube Channel](#), or on the [SFDR CISD's Facebook page](#) Monday evening, October 19, 2020.
