SFDR CISD CELEBRATES NATIONAL SCHOOL COUNSELING WEEK

San Felipe Del Rio CISD is joining school districts across the nation in celebrating National School Counseling Week this week. The celebration honors and focuses public attention on the unique contribution of professional school counselors within U.S. school systems and how students are different as a result of what school counselors do. The American School Counselor Association (ASCA) sponsors National School Counseling Week, which highlights the tremendous impact school counselors can have in helping students achieve school success and plan for college and career.

The special week with the theme “School Counselors: All in for All Students” recognizes school counselors who “implement comprehensive school counseling programs, a vital part of the educational process for all students as they meet the challenges of the 21st century,” according to a proclamation by the ASCA.

“School counselors work with all students to remove barriers to learning by addressing students’ academic concerns, postsecondary options and social/emotional skills,” said Jill Cook, ASCA executive director. “School counseling programs help to increase student achievement and provide a much-needed resource for students, parents, teachers and administrators. School counselors are integral to student success.”

SFDR CISD would like to thank our school counselors districtwide for their tremendous support and contribution they make in the lives our students. You are SFDR Stellar!

More general information can also be found on ASCA’s website, www.schoolcounselor.org.
