Press Release – November 9, 2022

SFDR CISD INVESTIGATING REPORT OF ALLEGED THREAT

Earlier today, a freshman student commented to his classmates “you should not come to school tomorrow.” While the student claims his comment was a joke and some students accepted his comment as joke, others took the comment more serious. In the interest of safety, school administration and district police at Del Rio Freshman School set into motion a series of protocols to assess this incident.

The school’s administrative team has confirmed that the parent of the student involved in this incident was notified and appropriate disciplinary action was taken on the student. Although we do not believe this incident to be a serious threat, we will increase police presence at the Del Rio Freshman School campus to ensure all students and parents feel safe.

We are thankful for the students that came forward and hope each parent will continue to encourage their students to report all incidents. Working together, we will continue to provide for the safety and security of our students.
