

SAN FELIPE DEL RIO CISD

Press Release – January 9, 2023

TODAY IS NATIONAL LAW ENFORCEMENT APPRECIATION DAY

(Del Rio, Texas) National Law Enforcement Appreciation Day is a day set aside to honor and appreciate the men and women who serve and protect our communities as law enforcement officers. These brave individuals put their lives on the line every day to keep us safe and secure, and their dedication and bravery are deeply appreciated. San Felipe Del Rio Consolidated Independent School District would like to take this time to recognize and thank our Del Rio Police Officers, our Val Verde County Sheriff and Reserve Officers, and our SFDR-CISD Police for their tireless work and commitment to protecting our schools and community. We stand with them and support their efforts to keep us safe, and we are grateful for their bravery and selfless service.

A special note of gratitude is extended to Val Verde County Sheriff Joe Frank Martinez and Del Rio Chief of Police Frank Ramirez for supporting our interest in school safety and helping to provide daily coverage to our elementary campuses.
