Scholarships for High School Seniors

In 2024, the SFDRCIDSD Education Foundation awarded 15 scholarships totaling \$10,0500. A tradition which began during the pandemic, Board members took the time to personally hand-deliver scholarship awards and yard signs to each scholarship recipient.

Recognizing Innovative Teaching in SFDR CISD

This fall, the SFDR CISD Education Foundation Board awarded 27 Innovative Teaching Grants totaling \$29,427.92. Applications were submitted by teachers and counselors across the District. Winning grants were handed out during the Back-to-School Convocation in August.

Fundraising Efforts 2023- 2024

Our largest fundraising efforts come from the generosity of our Friends in Education who participate in our live and silent auctions. Many of the District's supporters are businesses and organizations who believe in our cause. We thank each of them for their kindness and generosity!
