Name of Sponsor/Counselor/Administrator

The San Felipe Del Rio Consolidated Independent School District (SFDRS) currently conducts a Mandatory Drug Testing program. Students in grades 7-12 who choose to participate in school-sponsored extra-curricular activities or requests a permit to park a vehicle on school property will be subject to random drug testing. As part of the requirements outlined in School Policy FNF (LOCAL), the District shall provide an orientation session for parents and students. The purpose of the training is to review the drug testing program, review the policy, provide a consent form and review the harmful effects of drug and alcohol abuse. Student training sessions will be conducted by their sponsors. The parent orientation will be offered in a self-assisted tutorial format.

Self-Assisted Tutorial

I affirm that I have attended the orientation session provided by my son/daughter's extra-curricular sponsor or by a designated school counselor/administrator.

I affirm that I have reviewed the Drug Awareness Power Point with my child and discussed the harmful effects of drug and alcohol abuse.

I affirm that I have read and understand San Felipe Del Rio Consolidated ISD's policy regarding random student drug testing. I consent to such testing conducted as part of the District's drug testing policy. I understand that if a test of my child's specimen reveals an unexplained presence of a drug, the District shall take disciplinary action against my child including mandatory counseling for substance abuse, monthly drug testing, and a **90 school day suspension from his/her extra-curricular activity and/or parking permit**. If my son/daughter tests positive for illegal drugs for a second time, the second consequence will result in termination of participation in extra-curricular activities and parking permit for the rest of their student career. I also understand that a refusal to submit to testing will have the same consequence as if my child had tested positive. [See FNF(LOCAL)(REGULATION)(EXHIBIT)]

Note: If you have any questions about the policy, please call the Director of Student Services, at 778-4170. It is the parent's responsibility to periodically review the District's policy FNF(LOCAL)(REGULATION)(EXHIBIT) on the website to stay abreast of any changes that may occur during the school year.
