## COURSE DESCRIPTIONS

### Business Information Management I:

Articulated Credit at SWTJC: ITSC 1301

Students will develop the knowledge and skills of Microsoft Office Applications in order to apply to a personal and/or workplace business situation with the use of a personal computer. The course focuses on word processing documents, developing a spreadsheet, creating a database, presentation management, Internet access, and emerging technologies. Students will also continue to develop keyboarding skills and will develop skills for success in the workplace.

### Principles of Business, Marketing, & Finance Regular:

College Credits for DC: BUSI 1301 & BMGT 1301

### Principles of Business, Marketing, & Finance Dual Credit

In the first semester, students will create their very own business! Students are given the opportunity to enjoy hands-on learning in all areas of business, including the process of building one from the ground up. The second semester allows students to learn to walk in the shoes of a supervisor. Through discussion, role-play, and group interaction students will gain familiarity with valuable leadership qualities, as well as experience in managing the diverse situations of the workplace.

### Business Information Management II:

Articulated Credit at SWTJC: POFI 1349 & 2301

Students implement personal and interpersonal skills to strengthen individual performance in the workplace and in society in order to make a successful transition to the workforce after high school graduation. Students will develop skills to create complex word-processing documents, advanced spreadsheets using charts and graphs, and make an electronic presentation using Microsoft Office 2013 Applications.

### Virtual Business:

Students incorporate a broad base of knowledge that includes the legal, managerial, marketing, financial, ethical, and international dimensions of business to make appropriate business decisions. Students will be able to identify steps needed to locate customers, set fees, and develop client contracts. Students will be able to provide administrative, creative, and technical services using advanced technological modes of communication and data delivery. The student builds a functional website that incorporates the essentials of a virtual business.

### Global Business:

Students implement personal and interpersonal skills to strengthen individual performance in the workplace and in society and to make a successful transition to the workforce and postsecondary education. Students apply technical skills to address global business applications of emerging technologies. Students develop a foundation in the economical, financial, technological, international, social, and ethical aspects of business to become competent consumers, employees, and entrepreneurs. Students enhance reading, writing, computing, communication, and reasoning skills and apply them to the business environment.

### Business Management Regular:

College/Articulated Credit: BMGT 1327

### Business Management Dual Credit

The various roles of managers and the corporate hierarchy are explored in this course. Students will focus on managerial concepts, issues, and terminology through communication and group work.

### Human Resource Management Dual Credit:

College Credit: HRPO 2301

Students work on projects revolving around Human Resources. Students will build their resume, compete for the title of best interviewee, discover personality types, discover their communication abilities, and resolve real-world cases.

### Extended Practicum in Business Management Reg. or DC:

College/Articulated Credit: BMGT 1382

The course allows students the opportunity to work while still receiving school credit. Students are taught about finding their future careers, keeping, as well as leaving, a job, and how to expound on their employable talents.

### Career Prep I:

Career Preparation I provides opportunities for students to participate in a work-based learning experience that combines classroom instruction with business and industry employment experiences.
