JOVAHN WEST BREAKS RECORD FOR LONG JUMP

(Del Rio, Texas) SFDR CISD sends a huge shout out to Jovahn West, a Senior Track and Field athlete at Del Rio H.S. for breaking the district's Long Jump record this past Friday at the Annual Walter Levermann Queen City Relays with a jump of 22'7.5! This was the first competition of the season for West. The record for the long jump previously set by John Spears in 1973 and then tied by Juan "Pee Wee" Solis in 1995 with a jump of 22'5.5. We congratulate Jovahn and his coach Rick Torres on a job well done and look forward to seeing Jovahn in other competitions this season. Go Rams!
