Volume 23

2019

On Saturday, March 2nd, 30 students from the Senoritas and Caballeros Club from DRMS brought their sense of wonder and spirit of adventure to Kickapoo Caverns State Park. They partook on a 90 minute hike to reach the Armadillo Lookout Trail, which lead to a panoramic view of the southwestern area of the park. Then they explored Kickapoo Cavern which is about 1,400 feet long, the result of 4 million years of geologic change. The cave is undeveloped and is a strenuous underground hiking adventure that only a small percent of people have been able to explore.

BLENDED ACADEMY BIG BROTHER/SISTER PROGRAM

The Goal of Blended Academy's Big Brother/Sister program at Garfield's Behavioral Skills Unit is to positively impact students and build confidence emotionally and socially. We want the students to go back to class after spending time with their Blended Academy Big Brother/Sister filled with confidence, happy, ready to learn and eager to succeed.

LETTER OF INTENT TO COMPETE AT THE COLLEGE LEVEL

Guy Creamer (Hardin Simmons University in Abilene, Texas) will be competing in football and Isabelle Gonzalez (Bellevue University in Bellevue, Nebraska) will be competing in cross country and track.

ATHLETIC TRAINER APPRECIATION MONTH

Brad "Doc" Dixon and his team celebrated Athletic Trainer Appreciation Month.

WE STEM FROM GOOD BOOKS

The Goal of Blended Academy's Big Brother/Sister program at Garfield's Behavioral Skills Unit is to positively impact students and build confidence emotionally and socially. We want the students to go back to class after spending time with their Blended Academy Big Brother/Sister filled with confidence, happy, ready to learn and eager to succeed.

DREAM BIG

Flourishing Youth is a new club blossoming at the Buena Vista Campus. The organization was funded through the Education Foundation Grant and is spearheaded by Ms. Anissa Gomez. The girls meet once a month, and a female role model in the community is invited to share words of wisdom with the girls. The first guest speaker was Ms. Michelle Gonzalez, a wonderful role model who spoke to the girls about finding their voice and being a positive leader. Another guest speaker was Mrs. Melissa Rivas who spoke about the power of kindness. The best is yet to come for these lucky little girls!

PAINT TO MUSIC

The Paint to Music Contest encourages children to explore the language of music and the role that classical music can play in enhancing creative expression through art. The Symphony League invites students Pre-K through grade 6 attending any of the concerts to create a work of art in the classroom setting while listening to thematic selections of music chosen by the Symphony to coordinate with the Texas Essential Knowledge and Skills Requirements. Buena Vista students had 3 students that placed, Reyna Sandoval earned a 1st place, Hannah Hurtado earned a 2nd place, and Maritissa Robles earned a 3rd place. In addition, Maritissa's artwork was chosen to be on a postcard for the San Antonio Symphony.

102 PERFECT DAYS FOR 2ND GRADE

Buena Vista Second Grade students celebrated the 102nd day of school by dressing up as Dalmatians, as well as having number activities around this number throughout the school day. The students thoroughly enjoyed the day as they developed their mathematics and other skills. The 2nd Grade Cluster certainly has school pride!

BUENA VISTA CELEBRITY READER PROGRAM

Dr. Ruben E. Mora, DDS, a dentist in Del Rio, came and shared his educational journey and a busy family life with the students. The children got a chance to get up close and personal with the local professional, and they also shared a great book together.

DR. FERMIN CALDERON SCIENCE FAIR

Dr. Fermin Calderon Elementary School held their annual science fair on January 29 and 30, 2019. Over the two days, students from all grades levels had the opportunity to tell all about their findings to volunteer judges from our beautiful community. Going through the process, students learned that a project should involve the scientific method, which involves coming up with a hypothesis, testing it to see if it is true or not, and reporting their findings. It is not simply a demonstration project, such as making a volcano or reporting on the planets. Our students worked on making observations, recording data, and producing explanations. All students were invited to participate. The exhibits that are judged and received a 1st or 2nd place in each category at the campus level, advanced to the District Science Fair which was held at the Del Rio Civic Center on Thursday, February 7, 2019. DFC would like to thank all the volunteers that helped make our annual science fair a success!

DR. FERMIN CALDERON CELEBRITY READERS

March 2nd is the day we honor Dr. Seuss' birthday and what better way to celebrate than to read? Dr. Fermin Calderon Elementary celebrated the birthday of this beloved author of children's books on February 28, 2019 by inviting local celebrities to read to our students.

DR. FERMIN CALDERON DRUMMING FITNESS

Thanks to the San Felipe Del Rio CISD Education Foundation, our students at Dr. Fermin Calderon Elementary School will continue to enjoy a second year of Drum Fitness. Drum Fitness is an innovative cardio class that promotes aerobic activity and plyometric exercises, social skills, and it is also proven to have therapeutic benefits for our students. Our students are able to work out and raise their heartbeat while incorporating music and dancing once a week on Wednesday before school. DFC students and coaches continue to be enthusiastic about the program.

FAMILIES READING TOGETHER PROGRAM

Among the various literacy initiatives at Cardwell is the Families Reading Together Program. Coordinated by the school librarians, this program allows families an opportunity to spend quality time reading and engaging in a school readiness activity one evening per month.

MULTICULTURAL AWARENESS AT CARDWELL

Cardwell students performed Chinese dances and engaged in a traditional Dragon Dance to celebrate the Chinese New Year and learn about diversity. Thank you, Mrs. Diana Stern and Ms. Melinda Brijalba for making this possible.

TEXAS RODEO AT CARDWELL

Dressed in their western attire, Cardwell students engaged in educational booths to gain math, literacy, and social studies skills. Over 400 parents joined their children during this campus-wide event and gained ideas that promote learning at home.

GOT TALENT?

Students from Kindergarten to 5th grade braved the stage to perform at the Ruben Chavira Elementary Shining Stars Talent Show in late February. Eleven students showcased their vocal, dancing, and instrument playing abilities to a capacity crowd, while guest judges from across the district rated their performances. This fun filled event allowed students to flaunt their creativity for all to see. The top three finishers were, 2nd grader Mia Kalinchuk (3rd place/dancing), 5th grader Cassandra Maldonado (2nd place/singing) and 5th grader Lia Kalinchuk (1st place/dancing).

A TEACHER TREASURE

A Teacher of the Year candidate should be an exceptionally dedicated, knowledgeable, and skilled teacher who demonstrates leadership and encourages everyone around her to be the best version of themselves. Karrie Parsons, a second grade teacher at Ruben Chavira Elementary School, is just that. During her 23 years of teaching grades K - 5, Mrs. Parsons has always combined ingenuity and creativity in the classroom to create an inviting learning environment which engages all students. Mrs. Parsons is what a campus searches for in a teacher – caring, intelligent, creative, and effective. She consistently demonstrates academic gains in her classes and helps her students to become responsible, contributing members of the school community. Mrs. Parsons exemplifies honor in the education profession and R.C.E is proud that she represents the school as the 2018-2019 Teacher of the Year.

THE MORE THAT YOU READ, THE MORE THINGS YOU WILL KNOW...

Oh, the places you'll go... with reading! Ruben Chavira Elementary School knows how to CELEBRATE! The school celebrated Read Across America Week with Dr. Seuss themed activities and a family AR Night in the school library. The Cat in the Hat himself made an appearance and shared a story with all the little readers in attendance. With prizes, a photo booth, and lots and lots of reading, a great time was had by all! All the spirited activities during the week brought awareness to the importance of reading. "You can find magic wherever you look. Sit back and relax, all you need is a book." Dr. Seuss.

DEL RIO FRESHMAN FCCLA CHAPTER

Del Rio Freshman FCCLA chapter members traveled to Corpus Christi, Texas to compete in the Region V STAR Competitive Events.
