Student Success Center Virtual Tutoring

We realize that tutoring is an important resource for many of our students, and we will continue to offer individual tutoring for the duration of the semester, however, we will do so remotely. Out of an abundance of caution, we will not hold face-to-face tutoring hours until further notice.

A student can either choose to schedule an appointment below and continue with a [Live Tutor via Microsoft Teams](#):

Tutoring will be online using the Microsoft Teams video meeting platform.

1. **Download** Microsoft Teams through your Office 365.
2. **Schedule an appointment** with your preferred tutor using your college email (ie. johndoe@swtjc.edu)
3. **Check your college email**, or a notification on your app, to find an invitation to join Microsoft Team Meeting.
4. **Click “Join” for a virtual tutoring experience** at the scheduled time of your appointment.
