

# Parent and Student Guide to Accessing Google Classroom

## Accessing My Teacher(s) Google Classroom

1. Open a Google Chrome web browser. 
2. Type into the search bar **classroom.google.com**. You will see this login screen

3. Your student's Google Account uses their 6-digit school ID number, which includes the zero at the beginning, followed by @student.sfdr-cisd.org (example: [012345@student.sfdr-cisd.org](mailto:012345@student.sfdr-cisd.org)). Click **Next**.
4. The password is the students first initial (*f*), last initial (*l*) [**lower case**] followed by their 6 digit ID number with the zero. Then click **Next**.  
Ex) *fl012345*

5. If there is a welcome message click **Accept**. Then choose **I'm a student** when prompted. This may happen the first time you log in.

6. If you see your teacher's class and click Join, this should get you in the class.
7. If **you do not** see your teacher's class, then go to the top right corner and click the + sign next to the "waffle". Click on **Join class**, you will then need the **Class code** sent by the teacher.
