

SAN FELIPE DEL RIO CISD

Press Release – December 17, 2021

NATIONWIDE THREAT CIRCULATING ON SOCIAL MEDIA CAUSING RUMORS AND CONFUSION IN SCHOOLS

A threat to schools circulating on TikTok with the purpose of undermining the last school day before the holiday has caused confusion and panic among parents nationwide. While the video pertaining to school violence has spread around the entire state and country, it is important to note that San Felipe Del Rio CISD campuses have NOT been specifically mentioned.

Our SFDR CISD Police department and campus administrators are aware of the video, and are being extremely vigilant, closely monitoring all student interactions and social media activity both on and off campus.

We hope students will enjoy their last day of the school year and we hope you and your family have a restful holiday season.

Together, We Are Better!
