Press Release – August 6, 2021

SFDR CISD RELEASES RETURN-TO-INSTRUCTION AND CONTINUITY OF SERVICES PLAN AND COVID MITIGATION FLOWCHART

Under federal guidelines, the San Felipe Del Rio CISD must describe a plan under section 2001(i)(1) of the ARP Act for the safe return to in-person instruction and continuity of services.

SFDR CISD's safety plan focuses on communicating clear expectations, implementing preventative measures, responding quickly and consistently to cases. Our safety plan and protocols are in compliance with recommendations provided by the Texas Department of State Health Services (DSHS), the Texas Education Agency (TEA), the Center of Disease Control (CDC) and local health authorities. The plan includes the 2021-22 Student COVID Mitigation Plan.
