

## **Congratulations to Senior Fall BigFuture Ambassador Sophia Castillo!**

We're proud to announce, Sophia Castillo has been selected as a BigFuture Ambassador for Fall 2025! This prestigious opportunity recognizes students for their leadership and commitment to helping others plan for life after high school.

BigFuture Ambassadors are student leaders who volunteer their time to promote College Board's BigFuture resources. As an Ambassador, Sophia will:

- Participate in virtual training sessions
- Engage classmates through informal conversations, class presentations, or student clubs
- Promote access to scholarship opportunities and college planning tools
- Submit brief progress updates throughout the semester

We know Sophia will make a meaningful impact at our school by helping others explore their future paths! BigFuture.org is available to all students, free.

Interested in applying? The BigFuture Ambassador program will open again for Spring 2026. Stay tuned for details.

Thank you for supporting our school's BigFuture Ambassador and helping to build a culture of college and career readiness!
