

Lend a hand to your local program.

Texas ACE welcomes community support, including mentors, presenters, chaperones, and donations such as snacks, school supplies, and equipment.

Visit www.TexasACE21.org to learn more about supporting our mission.

The longer a student stays enrolled, the more they stand to benefit.

Many students attending a high-quality Texas ACE program for more than 30 days experience measurable improvements such as:

- Increased grade promotion
- Fewer absences
- Improved grades*
- Higher test scores in English and math**
- Fewer disciplinary incidents in middle and high school

“ My husband and I loved doing science experiments, making crafts, and learning about cyberbullying alongside our son. We never missed a parent night!

—Parent, McDermott Elementary School, San Antonio

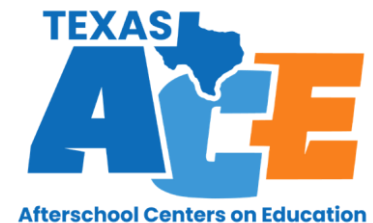

*Twenty-eight percent of participating students had improved grades during the 2018-19 school year.

**Improvement after 30 attendance days measured for grades 9-12. Programs that retain students for more than one school year have the most positive effect on STAAR math and reading

When the last bell rings, ACE is just getting started.

Afterschool Centers on Education (ACE) provides activities and academic support after school and during summer—all at no cost to families.

School ends. Learning doesn't.

“ My kids are so happy and excited to go to ACE. It’s educational but extremely fun with experiences they will never forget.
—Parent, Red Bluff Elementary School, Pasadena

**This is
where
learning
gets real.**

**Led by educators.
Loved by students.
Praised by parents.**

With more than 600 learning centers across the state, Texas ACE employs thousands of teachers and has a proven track record for boosting student attendance and academic achievement.

“ ACE allowed me to meet new friends. It’s a space where I can be me and feel safe.

—Student, Olle Middle School, Houston

Join for the benefits.
