SCHOOL HEALTH ADVISORY COUNCIL

The School Health Advisory Council (SHAC) is a group of individuals representing segments of the community and appointed by the school district to serve voluntarily at the district level to provide advisories to the school board regarding coordinated school health. The SHAC will assist the district in ensuring that local community concerns and values are reflected in district health education and will focus on recommending specific improvements that can be made regarding district student health and well-being such as: Health Services, Healthy and Safe School Environment, Counseling and Mental Services, Staff Wellness Promotion, Parent Communication Involvement, Physical Education and Health and Education.

**Interested in Joining our SHAC Council?
