
Note: For guidance on reporting hours of continuing education credit earned by board members, see TASB Legal Services' eSource webpage, [Board Members and Officers](#)¹. The article *Texas School Board Member Continuing Education* answers frequently asked questions about board member training. *Transitioning to New Time for Board Training Credit Announcements* assists board presidents in making the board's training credit announcement in 2018, in light of legislative changes to the announcement requirements, and *Board President Announcement on Continuing Education of Board Members* offers board presidents instructions and a sample script for making the board's annual announcement of training credit.
