

Garfield Elementary

Student Leadership Team (StuCo)

The Garfield Student Leadership Team is an organization on our campus for 3rd, 4th and 5th grade students. Students are selected by writing an essay, getting signatures from previous teachers, and be selected by their homeroom teacher. Members must be great leaders by having good manners, getting good grades, and participating in school and community events.

Some events that our Leadership Team has completed already this year include, collected Winter Clothes for Community members in need, hosted a “Donuts with Dad” event on campus, and help lead our Veteran’s Day Program in November. Leadership Officers have many responsibilities such as running meetings, coming up with activities, and running “Synergy Rallies.”
