Press Release – September 21, 2021

SFDR CISD TO COMMEMORATE 50TH ANNIVERSARY OF CONSOLIDATION

SFDR CISD has been working behind the scenes in preparation for a year-long celebration commemorating the 50th anniversary of the consolidation of San Felipe ISD and Del Rio ISD. To honor this legacy, and the school district's fifty years of service in public education since consolidation, the District has planned several activities throughout the school year which will highlight several aspects of their work in serving the students of the Del Rio/Laughlin Air Force Base community.

To kick-off the celebration, a ceremonial 50th Anniversary Commemoration event is planned for Monday, October 18th, before the regular school board meeting. This commemorative ceremony will initiate SFDR CISD's Homecoming Week. On Wednesday, October 20th, the traditional Homecoming Parade will feature an open invitation for alumni representatives from each graduating class to participate in this year's spirited event. Honoring the legacy of the consolidated school districts and the achievement in athletics, this year's homecoming theme is "Together, We Are Better – 50 Years of Athletic Achievement". The homecoming game on Friday will also feature special recognitions in honor of the San Felipe and Del Rio Class of 1971-72.

SFDR CISD's 50th Anniversary special celebrations planned for the remaining of the 2021-2022 school year will feature a spotlight on the District's achievement in the Arts and in Academics. The closing event, which date is yet to be determined, will highlight the 50 Years of Service to Public Education and honor the work of teachers, staff and administrators for coming together and serving our community.

SFDR CISD is seeking contact information of former school board members, District leaders and alumni representatives from the San Felipe and Del Rio Class of 1972. For more information, please Sandra Hernandez, SFDR CISD Administrative Director, at 830-778-4073 or Melissa Hughes, Superintendent and Board Secretary at 778-4007.
