San Felipe Del Rio CISD Acknowledges Community and Business Support in Recent Donations

Del Rio, Texas, June 17, 2024 - The San Felipe Del Rio Consolidated Independent School District (SFDR-CISD) is profoundly thankful for the continuing support from community members and local businesses. Their recent donations have significantly contributed to our educational initiatives and student success.

Our district remains committed to promoting educational excellence, greatly supported by the philanthropy and commitment of our local community. The various forms of donations—monetary, in-kind, and volunteerism—play an essential role in enhancing our programs and directly benefitting our students.

These contributions not only provide vital resources to our schools but also strengthen our community's cohesion and shared goals for quality education. It is through this collective generosity that we can offer a more enriched learning environment and better prepare our students for future challenges.

We are deeply appreciative of each contributor's effort to support our mission of delivering exceptional education. Every donation makes a significant impact and exemplifies the strong spirit of partnership and support within our community.

For those interested in learning more about how to support the San Felipe Del Rio Consolidated Independent School District or to become involved in our educational programs, please visit our website at www.sfdr-cisd.org. We are grateful for your continued support and commitment to our students' educational journey.
