

(LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue font: new text.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

Note: While the annotation software competently identifies simple changes, large or complicated changes — as in an extensive rewrite — may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.

Notice of Proposed
Nonrenewal

After the Board votes to propose nonrenewal, the Superintendent or designee shall deliver written notice of proposed nonrenewal in accordance with law.

TERM CONTRACTS
NONRENEWAL

DFBB
(LOCAL)

The initial notice or any subsequent notice shall contain the hearing procedures.

Request for Hearing

If the employee desires a hearing after receiving the notice of proposed nonrenewal, the employee shall notify the Board in writing not later than the 15th day after the date the employee received the notice of proposed nonrenewal.

In either case, the hearing shall be held not later than the 15th day after receipt of the request, unless the parties mutually agree to a delay. The employee shall be given notice of the hearing date as soon as it is set.

Hearing by the Board

Unless the employee requests that the hearing be open, the hearing shall be conducted in closed meeting with only the members of the Board, the employee, the Superintendent, their representatives, and such witnesses as may be called in attendance. 5. The administration may cross-examine any witnesses for the employee and offer rebuttal to the testimony of the employee's witnesses.
6. Closing arguments may be made by each party.

An audio recording of the hearing shall be made so that a certified transcript can be prepared, if required.

Board Decision

The Board may consider only evidence presented at the hearing. After all the evidence has been presented, if the Board determines that the reasons given in support of the recommendation to not renew the employee's contract are lawful, supported by the evidence, and not arbitrary or capricious, it shall so notify the employee by a written notice not later than the 15th day after the date on which the hearing is concluded. This notice shall also include the Board's decision on renewal, which decision shall be final.

**Hearing by an
Attorney Designated
by the Board**

If the employee does not request a public hearing, only the attorney designated by the Board, the employee, the Superintendent, their representatives, and witnesses shall be permitted to be in attendance, and witnesses may be excluded from the hearing until called to present evidence. The employee and the administration may choose a representative. Failure to give such notice may result in postponement of the hearing.

The conduct of the hearing shall be under the control of the attorney designated by the Board and shall generally follow the steps listed at Hearing by the Board.

Not later than the 15th day after the completion of the hearing, the attorney shall provide to the Board a record of the hearing and his or her recommendation on renewal.

Board Review

The Board shall consider the record of the hearing and the attorney's recommendation at the first Board meeting for which notice can be posted, unless the parties agree in writing to a different date. The Board shall notify the employee of the meeting date as soon as it is set. At the meeting, the Board shall allow each party an equal amount of time to present oral arguments. The Board

shall notify the employee in writing of the Board's decision on renewal not later than the 15th day after the date of the meeting.

(LOCAL)

Note: For information related to the accounting of instructional materials, as this term is defined by state law and rule, see CMD.

For information related to the selection process of library materials, see EFB.

The District shall provide instructional materials designed to teach the Texas Essential Knowledge and Skills and further the District's educational mission. Although the Superintendent shall ensure that professional staff select instructional materials in accordance with District policy and administrative regulations, the ultimate authority for determining and approving the curriculum and instructional program of the District lies with the Board.

Objectives

In this policy, "instructional materials" may include textbooks, supplementary resources for classroom use, and any other instructional resources, including electronic resources, used for formal or informal teaching and learning purposes. The primary objectives of instructional materials are to implement, enrich, and support the District's educational program.

Selection

Instructional materials that are textbooks and related supplemental materials, which may include items from the list of resources adopted by the State Board of Education, shall be chosen in accordance with administrative regulations and the objectives above.

The Board shall rely on District professional staff to select and acquire instructional materials that:

1. Enrich and support the curriculum consistent with the general educational goals of the state and District, the aims and objectives of individual schools and specific courses, and the District and campus improvement plans.
2. Are appropriate for the subject area and for the age, ability level, learning styles, interests, and social and emotional development of the students for whom they are selected.
3. Meet high standards for artistic quality, literary style, authenticity, educational significance, factual content, physical format, presentation, readability, and technical quality.
4. Present various sides of controversial issues so that students have an opportunity to develop, under guidance, skills in critical analysis and in making informed judgments in their daily lives. [See also EMB regarding instruction about controversial issues.]
5. Promote literacy.

District professional staff may select additional instructional materials in accordance with administrative regulations and the criteria above.

Administrators, teachers, other District personnel, parents, and community members, as appropriate, may recommend instructional materials for selection. Gifts of instructional materials shall be evaluated according to these criteria and accepted or rejected in accordance with CDC(LOCAL).

Selection of instructional materials is an ongoing process that includes the removal of materials no longer appropriate and the periodic replacement or repair of materials that still have educational value.

Parent Request for Instructional Material Review

The Superintendent shall develop administrative regulations to ensure compliance with state law and rules that a parent or guardian of a District student may request an instructional materials review for a subject area in the grade level in which their student is enrolled on the basis of the following:

1. The material is not aligned with District-adopted materials; or
2. The material does not have the appropriate rigor for the grade level for the subject area in which the instructional material is used.

The regulations shall also address procedures for submitting a parent petition to review instructional materials, the appeal process if a petition for review is denied, criteria for reviewing any appeal, and timelines for each step in the process.

Reconsideration of Instructional Materials

A District employee or a parent or guardian of a District student may request reconsideration of instructional material used in the District's educational program on the basis that the instructional material fails to meet the standards set forth in this policy.

Guiding Principles

The following principles shall guide the Board and staff in responding to a request for reconsideration of instructional materials:

1. A complainant may raise an objection to an instructional material used in a school's educational program, despite the fact that the professional staff selecting the materials were qualified to make the selection, followed the proper procedure, and adhered to the objectives for instructional materials set out in this policy.
2. A parent's ability to exercise control over instruction extends only to his or her own child as set forth in Education Code Chapter 26.

INSTRUCTIONAL RESOURCES
INSTRUCTIONAL MATERIALS

EFA
(LOCAL)

3. Access to a challenged material shall not be restricted during the reconsideration process, except the District may deny access to a child if requested by the child's parent.

The major criterion for the final decision on challenged instructional materials is the appropriateness of the material for its intended educational use. No challenged instructional material shall be removed solely because of the ideas expressed therein.

Informal
Reconsideration

When the District or a campus receives an objection to the appropriateness of an instructional material, the appropriate administrator shall try to resolve the matter informally. The administrator shall explain the selection process and discuss the intended educational purpose for the instructional material. If appropriate, the administrator may offer a concerned parent an alternative instructional material to be used by that parent's child in place of the challenged material.

If the complainant wishes to make a formal challenge, the administrator shall provide the complainant a copy of this policy and a form to request a formal reconsideration of the instructional material.

Formal Request for
Reconsideration

A complainant shall make any formal request to reconsider an instructional material on the form provided by the District and shall submit the completed and signed form to the principal. Upon receipt of the form, the principal shall appoint a reconsideration committee.

The reconsideration committee shall include at least one member of the instructional staff who has experience using the challenged material with students or is familiar with the challenged material's content. Other members of the committee may include District-level staff, secondary-level students, parents, and any other appropriate individuals.

All members of the committee shall review the challenged instructional material in its entirety.
