

## **Dr. Jose Perez Memorial Scholarship**

Dr. Perez spent his career impacting thousands of students in the SFDRCSISD. In addition to believing that education could open doors that might otherwise remain closed, Dr. Perez valued hard work, integrity, and compassion. His achievements were the result of all of those things.

This scholarship is meant to honor him by selecting a student or students who also value hard work, integrity, and compassion. In addition to academic achievement, the Dr. Perez Memorial Scholarship is about recognizing students whose impact reaches beyond the classroom and into the community.
