SFDR CISD BOARD APPROVES REIMBURSEMENT OF OVER COLLECTED TAXES

Last night during the regular meeting of the SFDR CISD Board of Trustees, the Board approved a plan to provide a check to Val Verde County for the reimbursement of over collected taxes.

During a brief presentation, the Board learned that on November 2, 2021, the Val Verde County Tax Assessor-Collectors office issued statements to homeowners with an incorrect tax rate. Rather than seeing the District's approved tax rate of \$0.9725, well over 11,000 taxpayers received a notice indicating a different tax rate of \$0.9927. The difference of \$0.0202 cents accounts for \$226,809.37 in over collected taxes.

Today, the District will issue a check to Val Verde County so that in turn, Val Verde County can immediately begin the process of reimbursing all accounts that overpaid school taxes.

Taxpayers who have any questions regarding their 2021 Tax Statement are asked to contact the Val Verde County Tax Office at (830) 774-7530 or submit their questions electronically at <http://valverdetax.org/Contact-Form>
