Press Release – September 9, 2024

## STUDENT DETAINED AGAIN FOR TRESPASSING SECOND CAMPUS

District administration was informed earlier this morning that the same DRHS student who gained access to the Del Rio Middle School campus last week entered the Del Rio Freshman Campus this morning. The student has since been processed and will be detained at the juvenile detention center. Officials have also been informed that this same student will turn 17 tomorrow. This means that the student would be subject to detention at the county jail if any further violations for trespassing occur after tomorrow.
