Board of Trustees

Policies BA, BB Series, BD Series, and BE Series

Texas law grants the board of trustees the power to govern and oversee the management of the district’s schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, and annual budget, employment of the Superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal law and regulations.

The board of trustees is elected by the citizens of the district to represent the community’s commitment to a strong educational program for the district’s children. Board members serve without compensation, must be qualified voters, and must reside in the district.
The board usually meets on the 3rd Monday of each month at 6:00 p.m. in the board room of the SFDRCISD - Student Performance Center and Administration Building located at 315 Griner St., Del Rio, Texas. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted in message board in front of the Student Performance Center and Administration Building and posted on the district website at www.sfdr-cisd.org at least 72 hours before the scheduled meeting time. Board meetings and agendas are also released to the local media. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

EMPLOYMENT

Equal Employment Opportunity
Policies DAA, DIA

The SFDRCISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy), national origin, age, disability, military status, genetic information, gender, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant’s job qualifications, experience, and abilities. For more information about your rights or grievance procedures, contact the Title IX Coordinator/Administrative Director at SFDRCISD - 315 Griner Street, Del Rio, Texas 830-778-4073 or the ADA/Section 504 Coordinator at Annex I, 900 Cantu Road, Del Rio, Texas 830-778-4253.

Job Vacancy Announcements
Policy DC

Announcements of job vacancies by position and location are posted on a regular basis on the district’s website at www.sfdr-cisd.org.

Employment after Retirement
Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication Employment After Retirement. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Web Site (www.trs. texas.gov).

Contract and Non-Contract Employment
Policies DC Series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary contracts: Nurses and full-time professional employees new to the District and employed in positions requiring SBEC certification must receive probationary contracts during their first year of employment. Former employees who are re-hired are also employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the District may not exceed one school year.
For those with less experience, the probationary period will be three school years, (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term should be given. If the effective date of the employee’s contract is after the first day of instruction, no part or service under said contract shall fulfill any portion of the probationary period.

**Term Contracts:** Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. Teachers employed before the 1994 school year are employed by continuing contract. Teachers employed after that date are employed by term contracts. Campus principals and central office administrators are employed under multi-year (3 year) term contracts. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online at [www.sfdr-cisd.org](http://www.sfdr-cisd.org) under Board of Trustees. Any questions regarding contracts should be addressed to the Department of Human Resources.

**Non-certified Professional and Administrative Employees:** Employees in professional and administrative positions that do not require SBEC certification (such as non-instructional administrators) are employed by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district unless approved by the Superintendent.

**Paraprofessional and Auxiliary employees:** All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

**Certification and Licenses**
*Policies DBA, DF*

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Department of Human Resources in a timely manner.

A certified employee’s contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual’s failure to comply with criminal history background checks. If you have any questions regarding certification or licensure requirements contact the Human Resources Information Services Coordinator at 830-778-4055.

**Searches and Alcohol and Drug Testing**
*Policy CQ, DHE*

Non-investigatory searches in the workplace, including accessing an employee’s desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no
legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee’s personal items, work areas, including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business.

**Employees are required to have a commercial driver’s license:** Any employee whose duties require a commercial driver’s license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements when their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees are required to have a CDL or who is otherwise subject to alcohol and drug testing will receive a copy of the district’s policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact Mrs. Sandra Hernandez, Administrative Director at 830-778-4073.

**Health Safety Training**

*Policies DBA, DMA*

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the Director of Student Services. Information on Texas Education Agency (TEA) requirements is available at the TEA website at [http://ritter.tea.state.tx.us/taa/health042109.html](http://ritter.tea.state.tx.us/taa/health042109.html).
Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and District Policy DGBA (LOCAL).

An employee with the required qualifications for a position may apply for another campus or department vacancy. If selected for a transfer position, during the school year, the recommendation will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Department of Human Resources and must be approved by the Superintendent.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional employees: Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation, including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and auxiliary employees: Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See Overtime Compensation on page 10 for additional information.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and from intrusion from other employees and the public where the employee can express breast milk will be provided.
A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

**Notification to Parents Regarding Qualifications**  
*Policies DK, DBA*

In schools receiving Title I funds, the District is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child’s teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. Inappropriately certified or uncertified teachers include individuals on emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resources Information Systems Coordinator, Department of Human Resources at 830-778-4055.

**Outside Employment and Tutoring**  
*Policy DBD*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

**Performance Evaluation**  
*Policies DN Series*

Evaluation of an employee’s job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.
Employee Involvement
*Policies BQA, BQB*

At both the campus and district levels, SFDRCISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district’s planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Superintendent’s office.

Staff Development
*Policy DMA*

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

**Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.**

COMPENSATION AND BENEFITS

Salaries, Wages, and Stipends
*Policy DEA, DEAA, DEAB*

Employees are paid in accordance with administrative guidelines and an established pay structure. The district’s pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional and academic administrator employees are generally classified as exempt and are paid a monthly salary. They are not entitled to overtime compensation. Other employees are generally classified as non-exempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each overtime hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page 10).

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district’s extra-duty pay schedule. Employees should contact the Department of Human Resources at 830-778-4014 for more information about the district’s pay schedules or their own pay.
Automatic Payroll Deposit

Employees will have their earnings electronically deposited into an account at the financial institution of their choice, if that financial institution provides the service. A notification period of seven (7) days is necessary to activate this service. All employees are paid bi-monthly. An employee’s payroll statement can be attained through Skyward Employee Access on the district’s website home page at www.sfdr-cisd.org. The statement will include detailed information on all payroll transactions. Contact the Payroll Department for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deduction:

Automatic payroll deductions:

- Teacher Retirement System (TRS) and federal income tax are required for all full-time employees
- Medicare tax deductions also are required for all employees hired in this district after March 31, 1986
- Temporary and part-time employees who are not eligible for TRS membership must contribute to a different compensation plan (FICA Alternative Plan under the approved Third Party Administrator)

Other voluntary deductions may be made for:

1. Approved insurance programs
2. Annuities/deferred compensation programs
3. Other cafeteria plan options authorized by the Internal Revenue Service
4. Teacher Organizations
5. Prepaid tuition plans

Local days are allocated at the beginning of the school year, but will be reviewed at year end to verify the amount of days actually worked. If an employee did not work at least 180 days of their contracted days of employment, they will be docked for days not earned at their daily rate.

Overtime Compensation

Policy DEAB

The district compensates overtime for non-exempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Non-exempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. Employees who work unauthorized overtime may be subject to disciplinary action.

Overtime is legally defined as all hours worked in excess of 40 hours weekly and is not measured by the day or by the employee’s regular work schedule. Non-exempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay
unless they work more than 40 hours. For the purpose of FLSA compliance, the workweek for District employees begins at 12:00 a.m. Saturday and ends at 11:59 p.m. Friday. Use of compensatory time may be at the employees request with supervisor approval as work load permits, or at the supervisor’s direction.

A non-exempt employee is generally an employee whose job duties do not fall into the executive, administrative, or professional category.

- District salaried nonexempt employees working more than 40 hours in the same workweek shall be entitled to compensatory time off at one and one-half hours for each overtime hour worked.
- Compensatory time earned by nonexempt employees may not accumulate beyond a maximum of 60 hours. If an employee has a balance of more than 60 hours of overtime, the employee is required to take the compensatory time off.
- Each workweek stands alone in computing compensatory entitlements. Workweeks cannot be consolidated or averaged to determine compensatory time during a pay period.
- Supervisors of nonexempt employees must obtain advanced approval from the Superintendent authorizing an employee to work overtime. The request must be submitted in writing, and must include the reason for the overtime and the anticipated length of overtime. The Superintendent shall also approve the form of compensation for all approved overtime. Supervisors must communicate to employees the form of compensation approved for overtime, prior to the performance of the work.
- Compensatory time cannot be waived by voluntary agreement between the employee and the employee’s supervisor. A non-exempt employee cannot donate overtime or agree to a reduced rate of compensatory time.
- Fair Labor Standards Act regulations require employers to establish and to enforce policy against off-the clock or unauthorized work.
- It is the responsibility of the employee’s supervisor to control the number of hours worked beyond the regular workday.
- Duty hours for all instructional personnel shall be from 7:30 a.m. to 4:00 p.m. unless otherwise specified by the principal or supervisor.
- Insignificant time (up to 10 minutes) beyond scheduled working hours may be disregarded in recording working (de minimis rule).
- Meal periods of over 30 minutes are non-compensable time if employee is relieved of all duty and responsibility.
- If a non-exempt employee is terminated or the employee resigns, he/she will be paid for any unused compensatory time at a rate not less than the average rate received by the employee during the last three years of employment or the final regular rate of pay received, whichever is higher.
- Nonexempt employees working overtime without prior approval will be subject to disciplinary action as follows
  - The first offense will merit a written warning.
  - The second offense will merit a one-day suspension without pay.
  - The third offense will merit possible termination.
- Falsification of records regarding time worked, including overtime, will be considered good cause for immediate termination. Actual time worked must be recorded.
- Compensatory time records with appropriate documentation and signatures from the employee and the administrator authorizing the overtime must be submitted along with the employee’s timesheet to the Payroll Office.
- Employees shall record compensatory time on a common form provided by the District.
- When compensatory time is taken, time sheets must clearly state “compensatory time used,” and must be submitted to the payroll office along with appropriate compensatory time record.
- Compensatory time must be used in the duty year that it is earned.
- An employee may be required to use compensatory time before using available paid leave (e.g., sick, personal, vacation).

**Travel Expense Reimbursement**  
*Policy DEE*

Before any travel expenses are incurred by an employee, the employee’s supervisor and appropriate program director must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.

**Health, Dental and Life Insurance**  
*Policy CRD*

Group health insurance coverage is available to all full-time and part-time (at least 30 work hours per week) employees. The district’s contribution to its employee self-funded health care plan premiums is determined annually by the board of trustees. Detailed descriptions of the health care plan, cost, and eligibility requirements may be accessed electronically through the district website at [www.sfdr-cisd.org](http://www.sfdr-cisd.org) using the following links:

- Human Resources
- Employee Benefits

The health insurance plan year is from January 1st through December 31st. New employees must complete enrollment forms within the first 30 days of employment. Current employees can make changes in their health care plan coverage during the open enrollment period which is usually held in the month of October. Changes to health plan coverage can also be made when a qualifying event occurs, such as, birth of a child, divorce, loss of other health coverage, etc. **However, the change must be made within 30 days of the date of the qualifying event.** Employees should contact the, Employee Benefits/Support Services Coordinator at (830) 778-4100.

**Supplemental Insurance Benefits**

can be paid by payroll deduction. Employees should contact the Employee Benefits/Support Services Coordinator at 830-778-4100 for more information.

**Cafeteria Plan Benefits (Section 125)**

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and critical illness, dental and vision care. A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period. Premiums carried under Section 125 cannot be dropped except during the employee benefits open enrollment period.

**Workers’ Compensation Insurance**

*Policy CRE*

The district, in accordance with state law, provides workers’ compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers’ compensation coverage from Texas Association of School Boards (TASB), effective September 1, 2003.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work related accidents or injuries should be reported immediately to the campus/work and/or campus nurse location supervisor. Employees who are unable to work due to a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers’ Compensation* benefits, page 20 for information on use of paid leave for such absences. At this time the District does not offer a return to work light duty program for employees.

**Unemployment Compensation Insurance**

*Policy CRF*

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. **Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service.** Employees with questions about unemployment benefits should contact the Employee Benefits/Support Services Coordinator at 830-778-4100 or the Texas Workforce Commission at 800-558-8321.

Substitute’s not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify TRS as soon as possible. **LEAVES AND ABSENCES**

*Policies DEC, DECA, DECB and DED*

The District offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should the Employee Benefits/Support Services Coordinator at (830) 778-4100 for information...
about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate leave request form. Any employee who is absent more than five (5) days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and in the case of personal illness - the employee’s fitness to return to work. Paid leave must be used in ½ day or full day increments.

Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

**Medical Certification.** Any employee who is absent more than five (5) days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and-in the case of personal illness-the employee’s fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

**Continuation of Health Insurance.** Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

**Personal Leave**

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee’s usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

There are two types of personal leave: nondiscretionary and discretionary.
**Nondiscretionary:** Leave taken for personal or family illness, family emergency, death in the family, active military service, birth or placement of a child and taken within the first year after the child’s birth, adoption, or foster placement is considered non-discretionary leave. Reasons for this type of leave allows very little or no advance planning and may be used in the same manner as state sick leave.

**Schedule Limitations: Discretionary** leave shall not be allowed on the day before a school holiday, the day after a school holiday, days scheduled for end-of semester or end-of-year exams, days scheduled for state-mandated assessments, professional or staff development days, or the last contract day, except in extenuating circumstances as determined by the Superintendent or designee.

**Duration of Leave:** Discretionary use of leave shall not exceed five consecutive workdays except in extenuating circumstances as determined by the Superintendent or Superintendent’s designee.

**Discretionary:** Leave taken at an employee’s discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor 30 days in advance of the anticipated absence. The effect of the employee’s absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal and supervisor.

**Schedule Limitations: (Superintendent Directive)**
Additionally, employees will not be granted discretionary leave to attend college courses due to the adverse effect on the educational programs of the campus.

**Leave Proration:** If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee’s final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

**State Sick Leave**
State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used only in one-half day increments except when coordinated with family and medical leave taken on an intermittent or reduced schedule basis or when coordinated with workers’ compensation benefits.

State sick leave may be used for the following reasons only:
- Employee illness
- Illness in the employee’s immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service
Local Leave

All employees shall earn local leave days, in accordance with Administrative regulations and the following:

Local leave shall accumulate without limit.

Local leave shall be used according to the terms and conditions of state personal leave. (See STATE PERSONAL LEAVE, above)

Local sick leave may also be used for first-year care following the birth or adoption of an employee’s son or daughter or the placement of a child with the employee for foster care.

Earned compensatory time shall be used before any available paid state and local leave. Policy DEAB

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Nonduty and paid vacation days, if applicable. Policy DED(LOCAL)
2. Local leave.
4. State personal leave.

Leave Transfer Program: A full-time employee may transfer fully paid local leave days to another employee who suffers from a catastrophic illness or injury and has exhausted all paid leave and vacation days. A request for transfer of days must be submitted in writing to the governing committee on a District form.

Non-Duty/Vacation Days

DED (LOCAL)

Professional, paraprofessional, and auxiliary employees in positions normally requiring 12 months of service shall have unscheduled non-duty days, which shall be the days remaining in
the year after holidays and scheduled duty days have been satisfied. The total number of non-duty days may vary from year to year depending on the school calendar.

An employee shall use non-duty days by June 30 of the school year in which they are earned. An employee may carryover non-duty days from the previous school year only.

Non-duty days may be taken at any time of the year and shall be taken at such times as will least interfere with the performance of the employee’s duties. The only exception shall be for the days that are assigned for District office closings in which the employee must use non-duty days.

Auxiliary employees who work a 261-day work schedule are entitled to paid vacation days each year. Vacation days must be approved in advance by the employee’s supervisor, and the days must be taken by the end of the employee’s annual work schedule.

**Family and Medical Leave (FML) - General Provisions**

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave*. Specific information that the district has adopted to implement the FML follows this general notice. *Policy DEC(LOCAL)*

**Basic Leave Entitlement:** The FML requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee’s child after birth, or placement for adoption or foster care;
- To care for the employee’s spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee’s job.

**Military Family Leave Entitlements:** An eligible employee whose spouse, son, daughter or parent is on covered active duty or called to covered active duty status may use his or her 12–week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FML also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period.

A covered service member is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

*The FMLA definitions of “serious injury or illness” for current service members and veterans are distinct from the FMLA definition of “serious health condition”.*
**Benefits and Protections:** During FML, the employer must maintain the employee’s health coverage under any “group health plan” on the same terms as if the employee had continued to work. Upon return from FML, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FML cannot result in the loss of any employment benefit that accrued prior to the start of an employee’s leave.

**Eligibility Requirements:** Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

**Catastrophic, Illness or Injury:** A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

**Use of Leave:** An employee does not need to use this leave entitlement in one block. Family Medical Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer’s operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

**Substitution of Paid Leave for Unpaid Leave:** Employees may choose or employers may require use of accrued paid leave while taking FML. In order to use paid leave for FML, employees must comply with the employer’s normal paid leave policies.

**Employee Responsibilities:** Employees must provide 30 days advance notice of the need to take FML when the need is foreseeable. When 30-day notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer’s normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FML protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FML was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

**Leave Transfer Program:** A full-time employee may transfer fully paid personal local leave days to another employee who suffers from a catastrophic illness or injury and has exhausted all paid leave and vacation days.
Limitations to Leave Transfers: Effective September 1, 2016, the total number of days transferred must not lower the contributing employee’s total accumulation of local leave below ten days. An eligible employee may receive no more than 30 local leave days per school year.

Employer Responsibilities: Covered employers must inform employees requesting leave whether they are eligible under FML. If they are the notice must specify any additional information required as well as the employees’ rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FML and the amount of leave counted against the employee’s leave entitlement. If the employer determines that the leave is not FML, the employer must notify the employee.

Unlawful Acts by Employers: The FML makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right protected under the FML;
- Discharge or discriminate against any person for opposing any practice made unlawful by the FML or for involvement in any proceeding under or relating to the FML.

Enforcement: An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FML does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FML section 109 (29 U.S.C. § 2619) required FML covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300 (a) may require additional disclosures.

Local Family and Medical Leave Provisions
Policy DEC(LOCAL)

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period from the state’s fiscal year September 1 through August 31.

District contact: Employees that require FML or have questions should contact the Employee Benefits/Support Services Coordinator at (830) 778-4100 for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified employees: Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a
temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability. Employees must request approval for temporary disability leave. An employee’s notification of need for extended absence due to the employee’s own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician’s statement confirming the employee’s inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work. When an employee is ready to return to work, Human Resources should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician’s statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

**Workers’ Compensation Benefits**

An employee absent from duty because of a job-related illness or injury may be eligible for workers’ compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers’ compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers’ compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers’ compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

**Assault Leave**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person’s age or mental capacity renders the person not responsible for purposes of criminal liability. An incident involving an assault is a work-related injury and should be immediately reported to the Chief Human Resources Officer at (830)778-4014.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of the employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued
personal leave and must be coordinated with workers’ compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee’s accrued paid leave. The employee’s pay will be adjusted if accrued paid leave is not available.

**Jury Duty**

Employees will receive leave with pay and without loss of accumulated leave for jury duty. Employees must present documentation of the service.

**Compliance with a Subpoena**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

**Military Leave**

**Paid Leave for Military Service.** Any employee who is a member of the Texas National Guard, Texas State Guard, or reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or duty ordered by proper authority. **EMPLOYEE RELATIONS AND COMMUNICATIONS**

**Employee Recognition and Appreciation**

and through special events and activities. Recognition and appreciation activities also include Teacher of the Month, Teacher of the Year and Teacher Appreciation Celebration.

**District Communications**

Throughout the school year, the Superintendent’s office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

**COMPLAINTS AND GRIEVANCES**

*Policy DGBA*

In an effort to hear and resolve employee complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process that all employees must follow when bringing formal complaints and grievances. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time. The formal grievance process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative grievance procedures are exhausted, employees can bring grievances to the board of trustees. The district’s parent/child and employee complaint forms can be requested from the Superintendent’s office or can be obtained on-line at [www.sfdr-cisd.org](http://www.sfdr-cisd.org) using the following links:

**Discrimination, Harassment, and Retaliation**
*Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons, including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or appropriate district official is the subject of a complaint, the complaint should be made directly to the Superintendent. A complaint against the Superintendent may be made directly to the board.

The district’s policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is located in *DIA* local in the on-line board policy manual at www.sfdr-cisd.org using the following links:

- Board of Trustees
- Board Policy Manual

**Harassment of Students**
*Policies DF, DH, FFG, FFH, FFI*

Sexual and other harassment of students by employees is a form of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment or abuse of a student by an employee or adult will be reported to the student’s parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, page 28 and *Bullying*, page 44 for additional information. Employees with questions or concerns relating
to the alleged sexual harassment of a student should contact the Administrative Director at 830-778-4073.

**Reporting Suspected Child Abuse**  
*Policies DF, DG, DH, FFG, GRA*

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g.: state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions:

- Reports to Child Protective Services can be made to Child Protective Services or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student’s or minor’s development, learning, or psychological functioning;

- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student’s or minor’s development, learning, or psychological functioning;

- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or

  Sexual conduct harmful to a student’s or minor’s mental, emotional, or physical welfare.

Reports to Child Protective Services can be made to the Texas Abuse Hotline at 800-252-5400. State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee’s failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee’s failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators’ Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes persons with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report to the appropriate state agency. In addition, employees must cooperate with investigators
of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer’s request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

**Sexual Abuse and Maltreatment of Children**

As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS). Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

**Reporting Crime**

*Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

**Technology Resources**

*Policy CQ*

The district’s technology resources, including its networks, computer systems, e-mail accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district’s technology resources
- Has no adverse effect on job performance or on a student’s academic performance

Electronic mail transmissions and other use of technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district’s acceptable use agreement and administrative procedures.

Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the Chief Technology Officer at 830-778-4016.
All district employees are required to sign an Employee Agreement for Acceptable Use of Electronic Communication System. Signed agreements are to be kept on file at the work location.

*Policy CQ (EXHIBIT-C, F), DH*

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the district’s students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee’s use of electronic media interferes with the employee’s ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee’s page, including content added by the employee, the employee’s friends, or members of the public who can access the employee’s page, and for Web links on the employee’s page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee’s personal social network page(s) using the district’s computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district’s logo or other copyrighted material of the district without express, written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee’s immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off camps. These restrictions include:
Confidentiality of student records. *Policy FL*

Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law *Policy DH (EXHIBIT)*

Confidentiality of district records, including educator evaluations and private e-mail addresses. *Policy GBA*

Copyright law *Policy CY*

Prohibition against harming others by knowingly making false statements about a colleague or the school system. *Policy DH (EXHIBIT)*

See *Use of Electronic Media Communication with Students*, below, for regulations on employee communication with students through electronic media.

**Electronic Communications between Employees and Students**

*Policy DH, CQ (EXHIBIT-C, F)*

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may communicate through electronic communication with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the district through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee’s child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student’s parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of the school;
- The parent understands that the employee’s communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic media* includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn). *Electronic media* also includes all forms of telecommunications such as landlines, cell phones, and Web-based applications.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee’s personal...
social network page or blog) is not a communication: however, the employee may be subject to district regulations on personal electronic communications. See Personal Use of Electronic Media, above. Unsolicited contact from a student through electronic means is not a communication.

- **Certified or licensed employee** means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- The employee may use any form of electronic media except text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
  - The employee shall include at least one of the student’s parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
  - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message; or
  - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee’s district e-mail address.

- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity.)

- The employee is prohibited from knowingly communicating with students through a personal social network page.

- The employee does not have a right to privacy with respect to communications with students and parents.

- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics including:
  - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. Policies CPC and FL
  - Copyright law. Policy CY
  - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. Policy DF

- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.

An employee may request an exception from one or more of the limitations above by submitting a written request to this or her immediate supervisor.

Criminal History Background Checks
Policy DBAA

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual’s fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee’s current national criminal history and updates the employee’s subsequent criminal history.

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.
Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handing complaints on different issues. Any campus office or the Superintendent’s office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teachers or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal.
